

Cheltenham & Gloucestershire Cottages

Cheltenham is a beautiful spa town nestled between the Forest of Dean, the Malvern Hills and the western edge of the Cotswolds. This surrounding countryside provides stunning backdrops for a wide range of outdoor pursuits whilst the streets, squares and terraces of the Town are home to numerous stylish shops and pavement cafes, as well as some rather good restaurants. When you also consider the racecourse (for a day at the races), the luxury spas, and not forgetting the music and literary festivals, it's easy to see why Cheltenham could be the perfect destination for you and your group.

The bedrooms are, first floor: one double with en-suite and three twin rooms; and the second floor has one triple room with a further two twin rooms off (one of which is en-suite). There are two family bathrooms and a downstairs cloakroom with shower.

There is a stunning fully fitted kitchen/conservatory with oil fired Aga and a flat screen TV. There is a DVD player and video. Other rooms include the dining room with an Italian marble glass table, a music/sitting room with mini grand piano, leather sofa suite, a Bridge room and reception with an easy chair.

Townhouse Apartments (12-40 people)

This Georgian building comprises of two townhouses that have been renovated into individual apartments. They are situated in Gloucester, on the southern edge of the city, nearby the Gloucester Quays docklands shopping development.

Unlike the other properties on our website the apartments are in a busy city centre location. They are in Gloucester but we do recommend for a night out groups go to nearby Cheltenham which is a 15 minutes drive. We can organise the transfers for you if you would like to go out.

The property has been converted into ten apartments and can sleep 6-41 people. Each apartment sleeps between 2 and 6 people. For larger groups (15+) you would have the larger apartment to socialise in and smaller ones for sleeping. We do try and put groups as close as possible and some apartments are linked but you wouldn't always be sleeping next door to each other. The apartments have a mix of double and twin bedrooms.

Cotswold Farmhouse (13-16/20 people)
